QUESTION #1 – AEPA IFB #008

Hello

I was hoping to clarify some information I received on a Athletic Facilities Improvement project (IFB #008 Bid). I wanted to find out if contractors could place bids for just one state, or if they must provide services and products for all 22 state areas. If you could provide any information regarding this project, or inform me of who I will need to speak with, that would be greatly appreciated.

Thank you for your time,
