

RESPONSE – QUESTION #6 – AEPA IFB #008

Each category is a separate and independent solicitation, and must have its own bid bond, binder and its own forms. Each category is individually evaluated, approved and awarded.

QUESTION #6 – AEPA IFB #008

If we are responding to more than one category for this bid, do we need to have a separate bid bond for each? Or would one original with a copy for each category work?
