Our mission

AEPA's mission is to cooperatively serve our agency memberships through a continuous effort to explore and solve present and future purchasing needs.

Our goals include working on your behalf to secure multi-state volume purchasing contracts that have benefits that are measurable, cost-effective and that continuously exceed our membership's expectations.

AEPA is committed to accomplish this mission by using leading edge technology and futuristic business practices.

How to use an AEPA contract

Each state makes local awards. Contact your state affiliate for current lines under contract. Visit our web site for affiliate contact information and phone numbers.

if you're not using AEPA purchasing contracts

Agencies in 23 states go to bid to get you best-value prices for the products and services you use in your school. If you're not using an AEPA piggy-backable contract, you may be paying too much – and passing up on important school buyer protections.
